

## WACOUSTA HIGH SCHOOL ALUMNI ASSOCIATION

In May 2009 the archives acquired a collection of Wacousta-related papers including many class photographs and the records of the Wacousta High School Alumni Association. The association held its 100<sup>th</sup> and last alumni banquet on May 16, 2003. The school educated students through grade ten until 1939 after which it took students only through 8<sup>th</sup> grade.

The class lists in the alumni records begin with the 1895 graduates. In addition to students' names, the records provide year of graduation; married name of most of the girls; and many death dates and mailing addresses. Eventually, spouses of students were added to the membership list. In a section of the records called, "New Members by Invitation and Request," are the names and grades of some additional students who attended the school. Their data is shown in brackets after their names in the following chart which is a compilation of all those named in the records as members of the association.
