

# Student Council Combines Efforts With

Christmas came a little early this year, as Santa and Mrs. Claus arrived to participate in the annual Christmas assembly. At the affair, sponsored by the Student Council, the group was entertained by the chorus and band playing traditional Christmas music, the cheerleaders doing their new pom-pom routine, and finally Santa and his wife putting in an appearance.

Santa's day began by helping Mrs. Claus deliver flowers to the teachers, and candy to the students; and ended when the students were dismissed to go to the cafeteria for cokes and cookies.

Santa (Dave Horvath) gives Mrs. Claus (Sue Graves) one of his Christmas letters.
