Every year students are chosen from the senior class to represent DeWitt High School in the Lansing STATE JOURNAL'S Teen Salute. They are chosen according to their scholastic average and achievements in other areas. Selected this year were Jean Fritz, Tom Brockway, and John Black.

Jean Fritz has been a member of National Honor Society for two years and was active in the Drama, Science, French, pep and college clubs during her freshman, sophomore, and junior years.

Tom Brockway has held the offices of president of National Honor Society this year and class president in his sophomore year. He has been active in sports, participating in football, baseball, and basketball. In his sophomore year he joined Drama Club and was in plays. Other activities which helped to keep him busy were Student Council, the yearbook staff, and Thespian Society.

Transferring from Sault Ste. Marie in his junior year, John Black became immediately involved in sports at DeWitt. Participating in both track and football, he showed outstanding ability, breaking the long jump record at DeWitt. John has been a member of National Honor Society for two years.
