HOW WOULD YOU DESCRIBE THE PERFECT DEWITT STUDENT?

The perfect DHS would be infinitely tolerant to put up with all the rules, regulations, and rumors.

... *Marcy Shooks*

I think the student would have to be intelligent, caring, unique, charming, shorter than 5 foot 7 inches, and has to have a sense of humor.

... *Greg Brya*

I think that the perfect D.H.S. student would be a female, tall, blonde hair, blue eyes, and humorous.

... *Kris Lape*

Spirited, fun, tall, dark hair, and big blue eyes.
