*Our Senior year has flown by faster than any other. As freshman we had so much to look forward to, and after graduation we'll have even more opportunities and choices ahead of us. Though our high school years are coming to an end, our lives as adults are just beginning.*

*New Directions . . .*

After high school I plan to pursue my dream to become a film maker. I hope to one day become as great as Federico Fellini.

*. . . Brian Tipton*

*Old Reflections . . .*

Something I will always remember is when the football team dressed up as those nutty cheerleaders and danced to the beat of the rhythm of the night. We made the crowd stand and shout, I even saw some girls fainting as they watched our bodies gyrate.

*. . . Jason Tonelli*
