**"If only I had a remote"**  
Bored with the rerun of Sesame Street, Holly Hasp longs for the remote so she can change the station to a juicy episode of Jerry Springer, her favorite show. It always provides her with the entertainment she needs to get through the school day.

**P.S. I love you** - Writing a juicy, romantic letter to his girlfriend, Zach Pretzel pretends to be doing his Algebra homework in the study hall. He swoons his 'girl' with smooth words of endearment, and hopes that writing the letter is worth not doing his work.

**"I cannot believe he said that to you!"** - Gossiping about their evil cross country coach Mr. Kloenhamer, Kellie Sebrell and Leigh Feldpausch discuss tactics to overthrow Kloen the Great.

**THIEVES!** - Mr. Acre is now on short one watch, thanks to a few senior guys. Brian Dodson, Craig Soderberg, Paul Rich, and Brian Muller enjoy playing pranks on Mr. Acre.
