

"DONNIE"

With his sax he will win fame,
In bright lights we'll see his
name.

"RAY"

In Indian lore he did excel;
With lasses too he did very well.

"PEE WEE"

He could do his work exceedingly
well,
If even in stature he could not
excel.

"BERNIE"

In our junior year we missed her
smile,
But she made the other years worth
while.
