

TEDDY SIMON

He was the handsome lad of  
the class,  
And Joan Pung was his cute  
little lass.

MARY ELLEN FITZPATRICK

Known as Canary to everyone,  
She believed in work and  
also fun.

EDWARD FELDPAUSCH

As homecoming king he  
did reign,  
But Westphalia girls  
were his only aim.

CLARE MORITZ

He will be a great  
scientist someday,  
Trying to help us  
in every way.

MARGARET OLNEY

A very quiet girl in our  
class,  
She will surely succeed  
in any task.
