

RONALD MILLER

His voice was strong  
and very loud,  
But he was the quietest  
in the crowd.

JAMES KOENIGSKNECHT

He was college bound  
we could plainly see,  
Working in mechanics  
for a Master's Degree.

DIANE FELDPAUSCH

A quarrel or a fight never  
drew them apart,  
Cause Diane had Tom forever in  
her heart.

DANIEL THELEN

He liked girls short,  
fat, slender and tall,  
But no one knows whom he  
liked best of all.

DORIS SCHNEIDER

Bingham Grange was her  
stamping ground,  
For that is where the boys  
could be found.
