

Carol Sue Piggott

Always cheerful; always
gay,
A happy girl she'll
always stay.

Diana O'Connell
(Hustead)

For a wedding
she will plan,
For she has already
caught her man.

David Hustead

No matter where you saw
this lad,
A big bright smile he
always had.

A quiet nature was in
his line,
But Diana was always on
his mind.

Pohl her name will
day be,
And then she'll smile so
happily.
