He never can pass the

He smiles and then
goes on his way,
He chooses a different
girl each day.

JANET BIERGANS

She works hard but
someday she'll meet
A boy who will sweep
her off her feet.

GARY BROWN

For the Service Gary
has set a date,
A sophomore girl will
have to wait.

With a hip! hip! hurrah!
Ken comes around,
Where there's joking and
laughter he can be found.
