run,
For there is where he

DAVID MILLER

One of the shortest
of the class,
He never lets a dull
moment pass.

HELEN HUFNAGEL

She was the "Good Citizen"
of the class,
In basketball she was sure
and fast.

WAYNE THELEN

On his feet he was
often slow,
But in his car, he
could really go.

ROGER THELEN

He became a trapper on
a northern road,
And all his charm he did
explode.
