

DALE BOAK

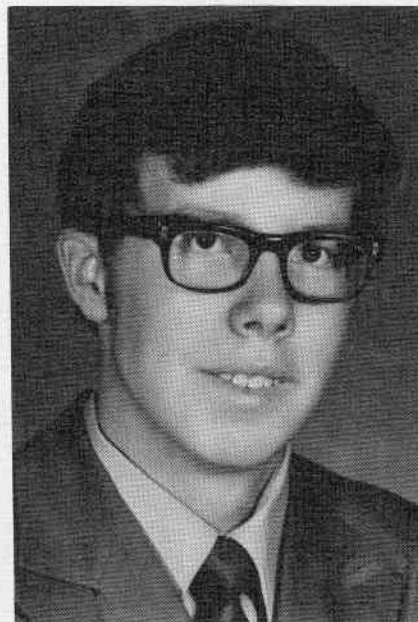

As a class joker  
He was the best,  
He made it a habit  
To be a pest.

## We've Only Just Begun

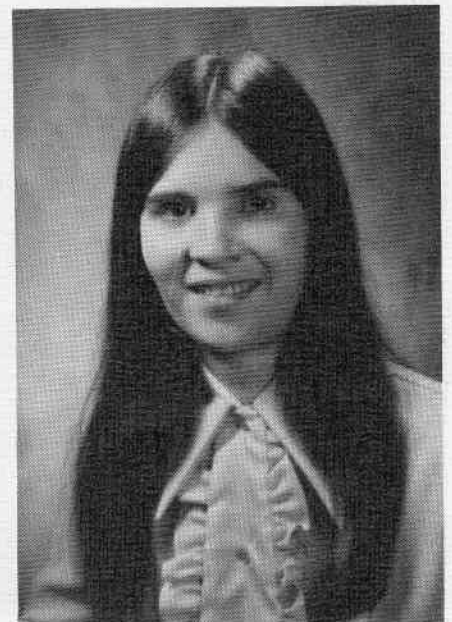

LINDA FALOR

Her actions were funny  
She was always quite loud,  
Wherever she went  
Linda would draw a crowd.

DUANE FEDEWA

With his Mustang  
He covered the town,  
Doing wheelies and  
Leaving marks all around.

HELENA FEDEWA

Not too short  
And not too tall,  
Pretty and sweet  
And loved by all.
