PARTING THOUGHTS

Four years of fun and frolic,
Four years of study, too,
We now must leave behind us
As we start our lives anew.

We're proud of our own high school,
And the things for which it stands.
We're proud of our achievements,
And our faith in future plans.

We're grateful for the guidance
We've received throughout the years,
And we know we'll profit by it
As we start our life careers.

Four years have flown so swiftly,
We hardly know they've passed,
But we will keep their mem'ries,
And through our lives they'll last.
