M.U.N.A.

One of the highlights of the Senior year is the Model United Nations Assembly held at Hillsdale College. This year M.U.N.A. was held on March 16th and 17th. The students from St. Johns spent many months gathering facts about the countries of Indonesia and Libya, which were the two countries they represented. At Hillsdale they attempted to act in the manner in which Indonesia and Libya would in the United Nations. Those students attending M.U.N.A. from St. Johns were: Carolyn Nickel, Barbara Sturgis, Sue Haske, Jane Schumaker, Jack Anderson, Bob Eldridge, Jim Lancaster and Larry Irish. The two advisors attending were Mr. Pioszak and Mr. White.
