Seniors: The First For the New St. Johns High

The Seniors began their final year by assuming the leadership to the new St. Johns High School.

The first major event of the year was Homecoming. The trophy for the first annual float contest was awarded to the Seniors for their float, "The Impossible Dream."

In March, the Woman's Club hon-

ored the Senior girls at a traditional tea.

Some of the other events included Senior day, Senior Banquet, and the Junior-Senior Prom.

The climax for all the Seniors was Commencement, followed by an all night Senior party held at the school.
