

A.

This years Senior Float, "On the Trail to Victory" wasn't trailing anywhere. It pulled up first at the Homecoming game. We all know that the Seniors have had a few minor problems in the past with floats but breaking three years of tradition was well worth the effort.

The Senior class put all their efforts together this year and showed their school spirit at the Homecoming Pep assembly, despite the bitter cold weather, by winning the yelling contest and the horse race.

B.

The Powder Puff team accepted help from one of the referees, Mr. Szymczak, but it wasn't enough and didn't help. They gave it a good shot but the Juniors got lucky and won over the Seniors by a slim margin. Even after their loss the Seniors were full of smiles and excitement. This spirit was carried into the Homecoming game that night and cheered the Redwings on to a Win!
