

April 16, 1980, the Annual Senior Class Tea was held. It was sponsored by the St. Johns Womens Auxiliary. The two hours consisted of a fashion show put on by Letts Fashion of Lansing, and cookies were served along with punch throughout the show. The clothes, modeled by Senior girls, were all the new spring fashions. Mr. Lett explained each piece of clothing as it was shown. The picture at the left shows a group of Senior girls walking to Smith Hall, where the event was held.
