

"LOOKS LIKE WE MADE IT!"

After thirteen years of school, the class of 81's dreams and anticipations of the past are now realities. Instead of having our lives planned, Seniors will be faced with responsibilities such as college, jobs and marriage.

Class parties. . .first dates. . .Junior Senior war. . .dreaded exams. . .first jobs. . .drivers licenses. . .plays and pep assemblies. . .all of these will become memories that we will hold in our hearts forever, but now we must move on. Seniors, our stage is set for the beginning of the rest of our lives.
