We've Got Spirit — Spirit We've Got

No one can deny that the class of '81 is full of spirit. Although our final homecoming was plagued with wicked weather, the Senior's victorious spirits shone through.

As the suspense built, Mr. Ted Slicer announced, "The winners of the spirit wall are . . . the Seniors." This was followed by the competitive yelling contest, which was a tie between the Freshman and the mighty Seniors.

An unusually large turnout helped make the senior float a great success, as it captured first place. The picture below shows president, Andy Todosciuk, proudly exhibiting the trophy for the winning float; Time Passages, The Year 2001.
