

Bronco Busting?

Miller Tames A Beauty

WHAT A SET OF WHEELS! Senior Bob Miller, has no problem admitting that he's the owner of this beauty.

Ever dream about a certain kind of vehicle? For Bob, he had his mind set on a bronco. He bought one from a friend of his dad's with money he earned from training

and showing horses.

His summer project took place in his home garage with only spare time to spend on it.

"In the future, I plan on getting suspension lifts and bigger tires", said Bob.

Although the mileage on the truck is high, (115,000 miles)

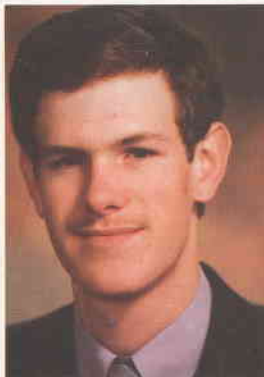

Bob's hoping to add many to it. "It may be 10 years old but it doesn't look it," added Bob.

Bob is pleased with the result but doesn't plan to make a career of it. He plans to go on to college in the field of law or criminal justice.
