No one can convince senior Jason Lounds that spiders and bumble bees are wonderful creatures. Like many people, he hates them.

## SWEATY PALMS SIGNAL

### TYPICAL FEARS

**T**he heart thuds heavily within. Breathing quickens. A cold sweat develops. What is this terrible condition? FEAR!

Fright, an emotion that occasionally grips everyone, can range from fear of rejection to fear of heights.

"My biggest fear is having

to speak in front of class," said senior Trina Harger.

"I fear that I will not be able to obtain all my goals in life," said senior Laura Durrance.

"I am afraid that I will not get everything that I want out of living," said senior Jen Marek.

Snakes, claustrophobia, ghosts--according to statistics, fears can affect as many as 24
