HOW TO HANDLE

BORING CLASSES

" Visualize making fun of the teacher sarcastically," said Joshua Glew.

" I find reasons to leave the class, find something to do and bring it back to class," said Kristy VanElls.

"What I usually do, unknowingly, is find a spot in the room that looks interesting and just stare at it. While doing this I completely separate myself from the world, without a care in the world," said Brandee Black.
