GOING AGAINST

THE CROWD

Baggy pants, a polk-a-dotted shirt, and converse high top shoes! Who wears these kinds of clothes? Those who dare to be individuals and forget about following the crowd. "I pretty much dress up to date, yet jeans just aren't my style so I wear baggy

stretch pants that are comfortable." said senior Beth Fedewa. "I really don't do anything to make people laugh, it's just a touch of heredity." said senior Bobby Walders. So go ahead, and let your true image show, because standing out in a crowd makes everyone know who you are.

Usually, Beth Fedewa is found in up-to-date, outrageous clothes. For her senior pictures however, she went snappy casual.
