

In Memory of Miriah A. Pease

October 4, 1977-March 16, 1996

Angel in the Sky

*When I close my eyes
I see your face
I will miss your charm and grace*

*You had a heart of gold
And a mind of power
You will always be with me
Every day, every hour...*

*You were a friend to all
I can't help but cry
You will never be forgotten
My Angel in the Sky...*

On Saturday, March 16, 1996, at 11:45 a.m., Miriah Anne Pease was involved in a one car accident. She was driving on the loose gravel of Avery Road, and lost control of her vehicle, sliding sideways into a tree. Miriah was involved in Junior Varsity Cheerleading and Outdoor Leadership Training Program. She also worked at the St. Johns Arby's and attended the Church of the Nazarene in St. Johns. Miriah was a fun-loving and a truly wonderful person. Her family and friends will always remember her as outgoing, talkative, funny, sweet, caring, giving and beautiful. She enjoyed daisies, music, working at Arby's and hanging out with her friends and family. She will be missed by everyone who knew her, and we will love her forever.
