

In Loving Memory...

Class of 2014

Kelsey Bauman 9/13/96 - 12/4/07

Kelsey was proud and very happy to be a member of the class of 2014. While attending school at East Olive Elementary and St. Johns Middle School, Kelsey enjoyed being active in a variety of sports and school activities. She was a proud member of the Rose Lake Pony Club and played soccer on the Capital Area Soccer League. Kelsey also played the viola in the school orchestra, and she enjoyed playing the piano and ballet. Most of all, Kelsey enjoyed spending her time with friends and family. Kelsey displayed admirable courage and strength throughout her battle with cancer. That strength came from the support of her close friends and classmates. The Class of 2014 was a fine group of people. Nothing would have brought Kelsey more joy than living with you on Graduation Day.

James McCarthy 12/3/95 - 5/25/12

Tall and skinny, and oh, so kind.
A nicer young man would be hard to find.
Honest to a fault - wouldn't hurt a flea,
Always had a smile, full of glee.
He took many pictures, some beautiful ones,
Of nature and flowers, and things he thought fun.
He loved the water, Clifford Lake or the pool.
Being on the swim team was really cool.
He loved to kayak and tube the lake.
Paint ball, computers, and pictures to take.
His interests were many, his joy was pure.
We all miss him, that's for sure.
And when we meet again in Heaven above,
We can really shower him with all our love.

Hugs, Gramma Mac
