CCHS Annual Meeting

Meet the Volunteers

Mary Donald

Mary Donald was born and raised in St. Johns, a 1980 graduate, and retired from SJHS after 42 years of service.

Mary and her husband Pete have two adult children and 3 grandchildren that keep them very busy.

They enjoy spending time with family and friends, camping, sporting events, and visiting the Upper Peninsula any chance they get. They recently attended the 50th Edmund Fitzgerald memorial service at Whitefish Point.

They are both active in their church, assist the American Legion with the Mt. Rest flag display, and are members of the St. Johns High School car show committee.

Mary helps with scanning yearbooks for the Archives and is a member of the CCHS Executive Board.

Reunion Memories?

The editors of *Clinton Co. Trails* are looking for reunion memories of Clinton County families. Did your family meet in a special place? Did family musicians entertain? Did your long-lost uncle show up? Was there a favorite food? Does your family still have them?

Please submit your story to ccgensoc@yahoo.com.

New Website

We recently launched cchsmichigan.org as our new website. Check this site regularly for all the latest information. A big thank you goes to Jim Parr for creating our new site. The old CCHS website will continue to be used by the archives.

The CCHS Annual Meeting potluck luncheon will be held on Wednesday, December 10th at the DeWitt Community Center at 16101 Brook Road, Lansing, from noon to 2.

The meeting will feature a RBW High School graduates panel discussion and an update on the Wilson Center renovation by Chad Gamble.

There will also be games, prizes, updates, and election of board members. Lynne Gregory, Gayla Phillips, and Jim Parr are running for reelection to the board.

Table service, beverages, and cake will be provided. In order to help us plan, we'd appreciate an RSVP by December 3rd to petersj@msu.edu or text to 989-501-0599.

Christmas at the Museum

Enjoy an old-fashioned Victorian Christmas at the Clinton County Historical Museum.

The museum will be open during the season on Saturdays 12/6, and 12/13 from 10-2 and on Wednesdays 12/3, 12/10, and 12/17 from 2-5.

Please plan to join us during this special time of year at the museum and make it part of your holiday tradition.
