ARCHIVES RECEIVES GIFT

The Archives became the recipient of a generous gift in the form of a state of the art computer. It was given by the estate of C. Lawrence Feightling and will give us the capability to store information for easy retrieval and reading material that is out there in the form of CD's. It will also make record-keeping easier for the staff. It has the option of a modem when we are ready to go on-line.

Now we have a big job ahead of us to get our information transferred into computer files. Anyone wishing to help with this should contact Myrna and set up a time to work on this project. We are open four days a week and could schedule certain hours each week for several people to work. If you have computer skills, or if you have just typing skills, we need your help to input this information. Please schedule time to help us.

We also need donations to build our CD library. CD's are available through several companies and include everything from census and land records to veterans records and social security index. This is the first time we have ask for donations in the form of money for the Archives. Please help us build a CD library. ☺

Mother, **Margaret (McDougal) Wilkie**, died in Glasgow, Lanark Co., Scotland, and then father, **George Wilkie**, brought his three children to Canada. Birth dates for parents probably would be around 1810 to 1815. Their three children:

- **George** (May 10, 1841 - Apr. 10, 1910) married **Louise Scott**, and they lived in Hamilton, Ont.

- **Maggie** went back to Canada, and met **Charles Fallus** whom she married. They ran a pharmacy in Hamilton, Ont.

STUMP WITH HISTORY

The Clinton Republican, 4 Jan 1917

A half mile from the pretty little town of Wacousta, Clinton County, on the Lookingglass River, stands a stump of a black walnut tree that was felled in 1837 or '38 by Indians employed by the settlers and paid in whiskey. The tree was over 6' in diameter.

From the trunk the Indians dug out a canoe 70' long with a capacity of a ton of freight in addition to a crew of seven men. The craft was lost on the very first trip. Being loaded at DeWitt, 7 miles above Wacousta, it started for Portland. In the rapids just above this village the vessel was split from end to end and the entire cargo lost. (Portland Review) ☺
