#### UNION (SOWLE) CEMETERY ASSOCIAION

#### **SOWLE CEMETERY RECORDS**

The archives holds some early papers of the Sowle Cemetery. These papers include the records of the Union Cemetery Association beginning with its organization meeting.

"Maple Rapids, Mich., Nov. 19<sup>th</sup>, 1910. At a meeting called at the Grange Hall at 4 p.m. for the purpose of organizing a cemetery association; the following business was transacted: Meeting called to order by **F. W. Redfern** calling **Mrs. William Pinkney** to the chair. Mrs. Pinkney then appointed **Miss Vera Fox** Temporary Sec'y., also **Miss Maggie Downs**, Treas. ... The Pres. appointed Mr. Redfern as chairman of the committee to draft bylaws and articles of association and **Mrs. Robert Anderson** and **Mrs. Jetora Anderson** to assist him in the same. A motion made by Mrs. Redfern and supported by Mr. Redfern that a fee of \$1 be charged to become a member of the association ..."

On 3 Dec. 1910 officers were elected. At the same meeting the Articles of Association were adopted. They began with this declaration:

"The happenings of every day do but seem to bring more forcibly to our minds the transitory state of our earthly existence and to force upon our attention the necessity of doing things necessary and desirable without delay. Having this object in view and believing that one of the things which is both necessary and desirable in this community, is in seeing that the last resting places of our beloved dead be properly cared for, and that the intrusion of live stock, the dumping of tin cans or other receptacles of flowers, or the remains of flowers, grass, or weeds on or adjacent to the cemetery lots or grounds be strictly prohibited, and that the owner or owners of unoccupied cemetery lands or lands adjacent thereto be compelled to keep the same property fenced, so that no trespass may be done on the sacred enclosure, and also for the raising of a fund for the proper care and maintenance of individual or family cemetery lots and furtherance of all necessary plans or work looking toward the beautifying of lots, the preservation of monuments, trees, shrubs, and flowers and in showing a due and proper regard for those whom we still love altho we have buried their bodies out of our sight. For these ends, we the undersigned hereby voluntarily band ourselves together and agree to be governed by the rules and regulations as adopted by a majority vote of the members of the association."

Following is a list of people who signed to join the association.

The biographies are excerpted here. He says they are relatives of his direct ancestors who also came to Clinton County in the mid-1800's.

Margaret Rebecca [Partridge] Dunham

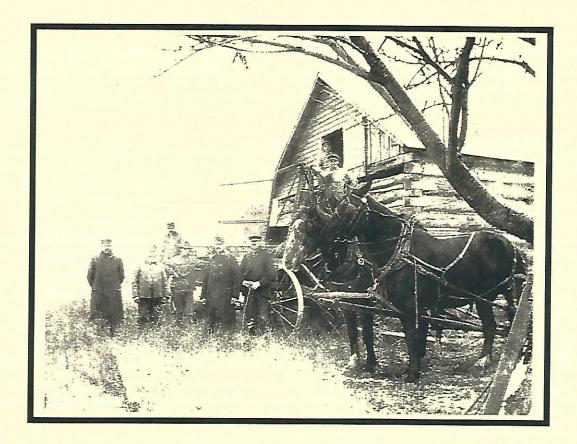

William Lee Brayton Dunham, Jr., was the third of twelve children born to William Lee Brayton Dunham and Hannah Allen. He was born on January 30, 1830, in Grafton, Rensselaer Co., NY. His wife, Margaret Rebecca Partridge, also was born and grew up in Grafton. They married there on Nov.2, 1850, and spent about the first ten years of their marriage there. Some time between 1860 and 1862 they moved to Michigan. In the 1870 census they are living in DeWitt Twp., Clinton Co., MI. In that census they are living next door to the household of Margaret's brother, William Partridge, and his wife, Adelia Dumbleton. It appears that William and Adelia Partridge had moved to Michigan about ten years earlier, apparently with Margaret's sister, Lavina, and her husband Jabez Ashley. Lavina and Jabez seem to have settled in Windsor Twp., Eaton County, MI, and spent the rest of their lives there.

It appears that another family of relatives, another **William Dunham and Lydia Partridge**, also moved from New York and also settled nearly in Clinton Co. in about 1868 to 1870. Lydia is Margaret's sister and her husband William is a first cousin to William L. B. Dunham, Jr.

Margaret died on April 19, 1896, in Lansing, MI. William died four years later on Jun 25, 1900, also in Lansing. Both William and Margaret are buried in the Gunnisonville Cemetery in DeWitt Twp. William is listed as a farmer in most of the records I have found, but on his death certificate he is listed as a merchant. I believe William and Margaret spent most of their lives in Michigan farming in DeWitt, but apparently moved to Lansing in the 1890's and opened up some kind of store. William and Margaret were the parents of ten children: Elizabeth Hannah (Dunham) Conklin; William Harvey Dunham; Almond Lee Dunham; Asa P. Dunham; Lavinia E. Dunham; Paul E. Dunham; Amelia J. (Dunham) Smith; Margaret R. Dunham) Annable; Maryette (Dunham) Walker; and an unnamed infant daughter.

Margaret Rebecca Partridge was born on Oct 12, 1829, in Grafton, Rensselaer Co., NY, to **Asa Partridge, Jr.**, and **Elizabeth Chesebrough**. ...

Margaret's mother also moved to Michigan just before her death in 1889. She apparently lived with her daughter Lavina in Eaton Co.

#### TRAVERSE CITY STATE HOSPITAL PROJECT

Betty Driscoll; 4 Jun 2010 ---- b4thepast@charternet.com

Sometime ago I started researching hard to find groups of dead people. Not just my relatives, but anyone who died away from home, indigent, or otherwise displaced. The deaths of my great-grandmother and her son at the Traverse City State Hospital, and the difficulty in finding records about them, led me create several volumes of such work, with an appropriate title for the collection: "A Series of Lost Souls". Lost...because their deaths are not usually recorded in their home counties.

"Inmates of the Traverse City State Hospital: A Series of Lost Souls" is a four-year long project that currently fills 1,200 pages and is no where near done. It reviews all public records about people who spent time at the TCSH and seeks to answer where they came from and where they ended up.

I hope that this work will be a resource for researchers who have been unable to locate their ancestors. It is also my hope that when people read its pages they will honor the memory of those whose remains were donated for anatomical donations and take a moment to thank them for the advances they, perhaps unknowingly, made to modern medicine and the betterment of our lives, both physically and mentally.

I don't answer queries about who is in it. That said, I do appreciate any information people are willing to give about their relatives. And they should know that the book is STRICTLY records; there aren't any opinions or comments at all, except those written in Probate Court records by relatives and licensed physicians.

#### JANET SNYDER'S RESEARCH NOTES

Transcribed by Betty Driscoll (See Vol.24, #1 & #3, 2009 beginning of series.)

Note: Janet (Sturgis) Snyder (1929-1993) was an avid genealogist and very active in the CCHS.

#### SUTTON

Elizur C. SUTTON and his wife Patience are buried under a stone in an Lebanon Twp Cemetery, named both Jackson and East Plains, but the wife's name is spelled Patinge [sic] even though the author of this note, Mrs. F. E. BOLLINGER of Elk Rapids, states that her great-grandmother and her brother Myron Thomas SUTTON must have been upset because they both signed the order for the engraving and her name was spelled Patience. Patience was their stepmother but their mother died when they were very young, in 1851. Mrs. Freda BOLLINGER believed they must have thought of her as their mother.

In an old History of Washtenaw County, BOLLINGER found names she thought might be related to Janet SNYDER [This letter was sent to Janet at her home address]. She noted Washtenaw and Oakland Counties have an adjoining corner. On page 614, First purchases of land, Salem Twp she found Isaac R. SUTTON, Section Six, West half of SW 1/4; and Section Seven, Isaac R. SUTTON, SW 1/4 of the W half of the NW 1/4.

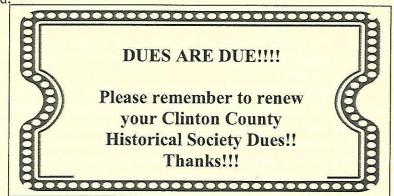

Then in Northfield Twp, Benjamin SUTTON, first pioneer settler in 1823. His brother was the Honorable George SUTTON. Their father was Nathan SUTTON Sr.

Elisha Kent SUTTON was a Revolutionary War soldier. A member of the Kiandaga Chapter DAR of Maples NY copied a 37-page book for BOLLINGER entitled "Twenty generations of SUTTONS" that indicates SUTTONS were descended from long lines of English royalty. Elisha Kent SUTTON married Hannah VOGHT (daughter of a Hessian general) in Dec 1779. Their children were Susannah SUTTON, born 1780, married Eli KIBBE first, then Alonzo LYON; Mary SUTTON, born 1781, married Joseph CLARK; John SUTTON, born 1783, married first Judith HAWES, married second Esther CLEMENT; Abraham SUTTON, twin of Isaac, born 1785, married first Jemima HOOKER, married second Orpha TAYLOR; Isaac SUTTON, born 1785, twin of Abraham, married Augusta DARLING; Jacob SUTTON, born 1790, married Betsy PARISH; James SUTTON, born 1794, married in Hastings MI and died in 1875; William SUTTON, born 1796, died 1873 unmarried; and Elisha SUTTON, born 1800, died in infancy. The genealogy indicates Isaac SUTTON died leaving a large but widely scattered family.

BOLLINGER states that some reports indicate Elisha Kent SUTTON died in MI while others indicate he died in Rochester NY; she found no proof of either location. This genealogy also indicates that many of Elisha's grandchildren and great-grandchildren lived in MI. All of Abraham SUTTON'S children and grandchildren are named in this 37-page record.

#### **EAGLE HOTEL**

The State Journal; photo included; ca 17 Apr 1933

Eagle, April 17 - A crew of workmen have been busy the past two weeks razing the Eagle Hotel which stood at the intersection of county road number 596 and US-16, the building known for years as "Jenison Hall" and which stood in the yard of the Jenison home, three miles east of the village, and also two buildings which were across the road from the Jenison home. These buildings were purchased by the Lansing Wrecking Company from Mr. and Mrs. Carrol Patton.

All of these buildings are old landmarks of the community. The junior hall was built by **W. I. Jenison**, great grandfather of Mrs. Patton, in 1863. For years all township elections were held in it and it was also the scene of much activity during the latter part of the Civil War.

The Jenison family has had an important part in settlement of this community. Six generations have lived on the same farm. **Fletcher Jenison** was the first postmaster in Eagle in 1841; his son, **W. I. Jenison**,

taught the second term of school taught in the township in 1837-1838; **Henry Jenison**, son of W.I. Jenison, held at one time the office of state representative at Lansing. The above-mentioned, with the following, make up the six generations: **Lulu (Jenison) Kerr, Helen (Kerr) Patton, and Carol Elaine Patton. Mrs. Helen**(**Jenison) Dravenstatt,** daughter of W. I. Jenison, is also living at the present time on the home farm.

The Eagle Hotel was built in 1879 by

\*Washburn Strickland. At the time of erection it was considered one of the finest hotels in the state. In years past several different parties have owned the building, finally being purchased by the late Henry Jenison and has remained in the family since. The Jenisons have never operated it as a hotel but have rented it to parties who in turn have used it for different kinds of business. In the last few years it has served as an apartment house. The store building razed was the first store built in the township.

\*Washburn Bancroft Strickland died 19 Aug. 1912 in Grand Rapids MI.

#### **NEWZ FROM EARLY PAPERS**

Courtesy of archives staff & other discerning researchers.

Word has been passed out by Sheriff [John S.] Barnes that the person who attempts to ramble the highways and byways of Clinton County in his auto after January 15<sup>th</sup> wearing the1923 license plates, such person or persons are going to be invited to call at the office of the county treasurer immediately, invest in a set of 1924 plates and then tell their troubles to the justice of the peace. A fine and costs will be recommended. Of course, if you care more about the fun than you do the customary five iron men and costs, that's your business. But for fear you might forget, we hereby remind *Republican* readers that the class colors issued by the Secretary of State this year are mustard and black. Also, the emblem is somewhat larger than the 1923 variety, which in itself makes it very difficult to refinish the old plates to conform to the new color scheme and size. Don't try to tell the sheriff or his deputy that you have been unable to get plates because of the rush. County Treasurer [Anna L.] Taylor has a force of clerks ready to serve you. Since the January15th edict, there has been a noticeable slackening in buying. Sure, there's going to be a last minute rush and possibly you will be forced to lay up your car if you wait—that or take your chances with the law enforcement brigade. There were a few over 2,500 sets of 1924 license plates issued Thursday. The amount collected was a little over \$30,000. That means there are abut 2,000 Clinton autos yet undecorated. Next Tuesday is the last day. Better do it now—it is cheaper. (*Clinton Republican*; 10 Jan 1924)

**Orba Schanck** went to Duplain Monday and brought in two logs from a large elm cut on the old **B. F. Young** farm, the largest of which measured 56 inches in diameter at the small end, was 12 feet long and scaled 2,028 feet. The other log was 14 feet long, 54 inches in diameter at the small end and scaled 2,104 feet. These logs would weight about 16,000 pounds each. There were several cords of wood left in the tree. (*Clinton Republican*; 16 Feb 1905)

**Half a mile from Wacousta**, on the banks of the Looking Glass River, stands the stump of a black walnut tree that was felled in 1837 or 1838 by Indians employed by the settlers and paid in whiskey. The tree was over six feet in diameter. There is a pretty good legend connected with the stump and the story is to the effect that, from the trunk, the Indians dug out a canoe 70 feet long with a capacity of a ton of freight in addition to a crew of seven men. The craft was lost on the very first trip. Being loaded at DeWitt, seven miles above Wacousta, it started for Portland. In the rapids just above the latter place, the vessel was split from end to end and the entire cargo lost. (*St. Johns News;* 24 Dec 1896)
