The hazards above no longer exist in 1989, at least most of them don't. Osha and Miosha would have been seeing to it that conditions were not dangerous to the health of those laborers.

Cancer Deaths 1872

Men were afflicted with stomach cancer, 19 having died in this year. Breast cancer, then as now, was most serious for the women, 19 having passed away.

Bingham Grange Records Dec. 17, 1910

A warrent was issued for the arrest of B. Veron Merrihew on the charges of a crude way of living which was served by Undersheriff B. Wyman, and he was taken before Justice Br. Wilcox. His plea being "Not Guilty," he was bound over to a peer before Judge Munson in Bingham Court on the evening of Dec. 31, 1910. Bonds were put at \$500.00, Br. Merrihew was fortunate in securing bonds and was allowed to go home.

Dec. 31, 1910 The trial of B. Merrihew, charged with a crude way of living, was tried before a jury, Br Larkins and Br. Gage for the plaintiff; Br. Norris and Br. Hunt for the defendant. Judge Munson at the close of the suit took the case from the jurors and in a few words pronouced the defendant guilty and sentenced him to the Pie House for 90 days with a muzzle.

Charles Munger, Secretary

Can anyone tell us what and where the Pie House might have been and also why the muzzle? Also what the charge a crude way of living might entail.

#### A PLEA FOR MATERIAL

Anyone having a family story that you would like printed in the Clinton County Trails, please send it to Catherine Reed, 581 West State Road, Lansing, Michigan 48906.

This is your publication. Please help Lois Fohl and Catherine Reed keep it as interesting as possible.

#### MEMBERS NEEDED

An organization to grow and prosper needs a strong membership. The more people on board, the more interesting projects can be tackled. The Clinton County Historical Society, since its beginnings in 1974 has had many successes and would like to have many more. Please bring a prospective member with you to the next meeting. President Arlene Lounds will welcome each and every one who comes.

## HISTORY OF GUNNISONVILLE Alta Gunnison Pierce continued

That day in June, 1885, that the Ladies Aid was organized, the Minister Rev. McNutt talked a new church and although it looked like a big undertaking it was started in a couple of years. The Ladies Aid, the Sons of Temperance, and all the members of the community who could, gave money and allthe men turned in and gave freely of their time and labor. Clark Livermore tells me how he shovelled all the gravel and Ephriam Henderson drew it from the pit to the church site, others drew stones, lumber and the brick, others did carpenter work, painting, eIc. so all in the locality had their share in erecting this fine church. I found the following bit of news in the Portrait Biographical Album of Clinton and Shiawassee Counties, published in 1891 and is from the biography of Alfred Gunnison. "Both Mr. and Mrs. Gunnison are very active members of the Sons of Temperance in both county and state organizations and they contributed generously of their means for the erection of a fine brick building. This Building which cost \$3,000 belongs jointly to the Methodist Episcopal Church and the Sons of Temperance." In regard to when the church was completed and dedicated I found the following in a St. John's Republican, dated October 18, 1888. "The new brick church at Gunnison's in DeWitt will be dedicated on November 4. Elder W. H. Thompson will preach the dedicatory sermon in the morning and services in German will be held in the afternoon. Services will follow each evening in the week. Rev. D. M. Ward will have charge of the pastorate.

The church was not entirly paid for and a mortgage was given and the last notation

that I find about the Church Note in the old treasurer's book was March 30, 1898, when \$408. was paid on the Principal and \$13.05 interest, so I am wondering if it was at that time that the debt was paid. Mrs. Clara Wimble says she remembers when the mortgage was burned, but cannot remember the date.

The church sheds were built later, someone had put it as about 1902. Mrs. Moots says the Aid furnished meals for three days to the men while they were building them, time and labor being again donated. Final payment on the Shed Note was for \$75.00 on DEcember 3, 1910.

The Sons of Temperance mentioned in connection with the building of the church was organized about 1884 as near as I can find out. In James Gunnison's biography, I find out he was the first Worth Patriarch of the order and helped organize it. Mrs. Myrtle Doty has a record Book of the Sons of Temperance for the years 1886 to 1890. The division here was #203 and called the Anchor Division. At Bath was Bath Division and at Lansing, the Capital Division.

Louis Draus died October 29, 1886 at the age of sixteen years and he was their recording scribe up to the time of his illness. In the record book are resolutions and a very beautiful poem, inscribed to his memory. Some of the dates and items in this book help us to visualize the little house by the creek and the building of the church.

July 5, 1890, a committee was appointed at the Sons of Temperance meeting to confer with the Patrons of Industry in regard to use of the hall. This was the first time the Patrons of Industry had been mentioned. Eugene Lott tells me it was an organization similar to the Grange and was organized at the Lott school house. In Benedict Stampfly's biography, it says he was president of the P. of I. for four years.

The Farmer's Alliance was organized at Gunnisonville on October, 1890. It was similar to the present Farm Bureau, I understand. Both the Patrons of Industry and the Farmer's Alliance were prominent State organizations about that time. I can find no record of how long they were in existence.

A Grange was organized at the hall December 6, 1900 and meetings were held on Saturday nights. I think Earl Tucker was their first candidate. In December, 1901, Pomana Grange was entertained at Gunnisonville. The Grange flourished for a time but went out of existance in 1910 and the members were transferred to the DeWitt Grange at that time, I understand.

The Gunnisonville Band was organized in the spring of 1890 by George Moots and John Henry Creyts was the drum major. Perhaps a list of the members and what instruments they played would be of interest--Scott Clark, Alto, Homer Heidt, Alto, William Horning, Alto, George Keck, Bass Drum, Ben Kyes, Trombone, Herman Kyes, E flat Cornet, Herman Drous, Cornet, Alton Livermore, Snare Drum and E flat Cornet, Lee Lott, Trombone, John Melvin, Tenor, George Moots, Cornet, James Ranney, Cornet, Clifton Reynolds, Snare Drum, Adam Rupp, Tuba, Clarence Sipley, Clarinet and Cornet, Eugene Sipley, Clarinet, Reuben Sipley, Cornet, Prosper Sloan, Cornet, Jerry Springsteen, Tenor, BEn Stampfly, Baritone, Roy Stampfly, Tenor, Allen Stampfly, Bass Drum, Bert Wildt, Solo Alto, Fred Wildt, Bass HOrn and Chris Zeeb, Tenor.

About a year after they organized, a Band Stand was built on the S. W. corner of the interesection just over the fence and about level with the top of Mr. Kraus' fields. Band concerts were given there every Saturday night during the summer. Mrs. Celia Simmons, then a little girl, says she remembers how the band played for the children to march upstairs from the hall to the front of the church for the Christmas exercises. I haven't found when they disbanded.
