JANET SNYDER - IN MEMORIAM

The Historical Society and the Genealogists have lost a loyal and helpful supporter with the death of long-time member **Janet M.**

(Sturgis) Snyder. Born 26 February 1929, she died suddenly 23 April 1993.

She was an inveterate researcher on her family and also did research for many others. Her mind held endless details of family connections and Clinton County lore. She held offices, served on committees, collected materials, and presented programs. She gave material generously to the archives where more than forty of her donations are documented, and she also was instrumental in prodding others to donate family research and other items.

Janet was the champion recipient of the Clinton County Pioneer Certificates issued in 1989-90, and she wrote her family's history for the 1980 History of Clinton County.

We will miss her friendly presence at meetings and remember her for her continuous activity on behalf of our organizations.

ANNOUNCEMENTS

There will be a picnic for the Historical Society at the St. Johns City Park on Thursday, July 15 at 6:30 p.m. Follow the road past the pavilion to the back of the park. Bring a dish to pass and your own table service and drink.

Please check the date on the mailing label of this issue. It indicates when your membership expires. There is a renewal form on the back page.

We owe a large debt of gratitude to Wilma Sowle who has been overworking her fingers and eyes to abstract vital statistics from the newspapers. She has recently sifted through all of the 1901, 1902, 1903, and 1919 issues of *The Clinton Republican*.

To Janet Dunn who, besides appearing each Tuesday to help at the archives, has indexed a scrapbook recently given us by Robert Walling; and to Bill Serviss who has once more repaired the photocopier, we also express many thanks.
